

SQL BI-WEEKLY ASSESSMENT

Instructions:

It is important that all instructions are properly understood to allow a smooth running of this assessment.

Steps:

- 1.) Go to your browser and click on the links as listed as your questions to answer.
- 2.) Make sure to create an account and verify your email with Leetcode so you can be able to write the queries
- 3.) Once you answer a question, copy the code you used into your system notepad and name each query you wrote with the number of the question answered e.g

A screenshot of a Notepad window titled '*Untitled - Notepad'. The window has a menu bar with 'File', 'Edit', and 'View'. The text inside the notepad is as follows:
Question 1:
SELECT * FROM EMPLOYEE;
Question 2:
The status bar at the bottom shows 'Ln 5, Col 12', '100%', 'Windows (CRLF)', and 'UTF-8'.

- 4.) Once you copy all your questions and queries into the note pad, save it and name the notepad as "SQL BiWeekly Assessment"
- 5.) Go to your classroom and add this notepad (.txt) document to your submission as a file
- 6.) Then when you're done with this, you can go ahead and submit it.
